Census
2020

STAND UP, BE HEARD, BE COUNTED!

Census Day of Action **Wednesday, July 22, 2020**

We need your help to get a complete count.
Communities that are under counted do not get the
resources they need and lose their political voice!

Spread the word:

- Hang a poster in your apartment/condo complex
- Email or text your friends a challenge to complete the census
- Place a poster in a local business
- Share information with your clubs and groups
- Take a photo and post it on social media with #MakeMeckCount
- Your own (socially distanced) idea for outreach!
